ORIGIN: ShoeFy Shoes

Aeons ago, when Earth was still being forged the **four cosmic elements** decided to make their home on Earth.

They each gave their respective elemental shoes to the tribes and **ShoeFy inherited** these shoes.

Unlock the Potential

Limitations of **NFTs**

As the investment landscape around NFTs evolves, **the use case and utility side of NFTs** is a laggard amongst its fungible token peers.

By bridging NFTs with the Defi level utility, ShoeFy is becoming a **revolutionary game-changer**.
